Anna

PHOTOGRAPHS BY DENYS DEFRANCESCO

The first thing 20-year-old Anna wanted to know was if we could do the pictures of her near her fathers' farm in Sussex. So why not in the studio?

"Well, it's so nice to do it in the grass, out in the sunshine and the open air." Ah, we said, you want to show off your bumper crop to your proud Dad? "Don't be silly. This is where I had my first fuck! He only had a smallholding, mind you, but at least he was an expert in his field!"

When it comes to yummy-ness nothing comes close to Emma Townshend, not even a family-sized tub of Haagen-Dazs vanilla ice cream — and that's saying something! What's more, Emma's got most things a girl could want: a whole 32B-23-33 inches of sexiness and heaps of intelligence, but sadly, she reveals, no love. "I want some romance in my life! I want a man who will buy me flowers and make me breakfast in bed; a man to caress my nipples and kiss my little pussy till I come," sighed our beautiful 22-year-old script editor from Reading. So just what would

Of course we'd like to help Emma, but how can we break it to her that the office cleaner is a woman?

Seeing is not always believing, for beneath Miss Jane Botham's perfectly-formed and wicked exterior lies an even more wicked lady trying to get out! "I like all my outfits to make a statement," purrs juicy Jane, strutting across the room in her four-inch heels, "and I don't think there's much doubt about what this little number says!"

And for the benefit of all the hard of hearing amongst you, we asked Jane if she could put that into words. "Well, it's not asking for a kiss and a cuddle, is it? More like: fuck me and fuck me now!"

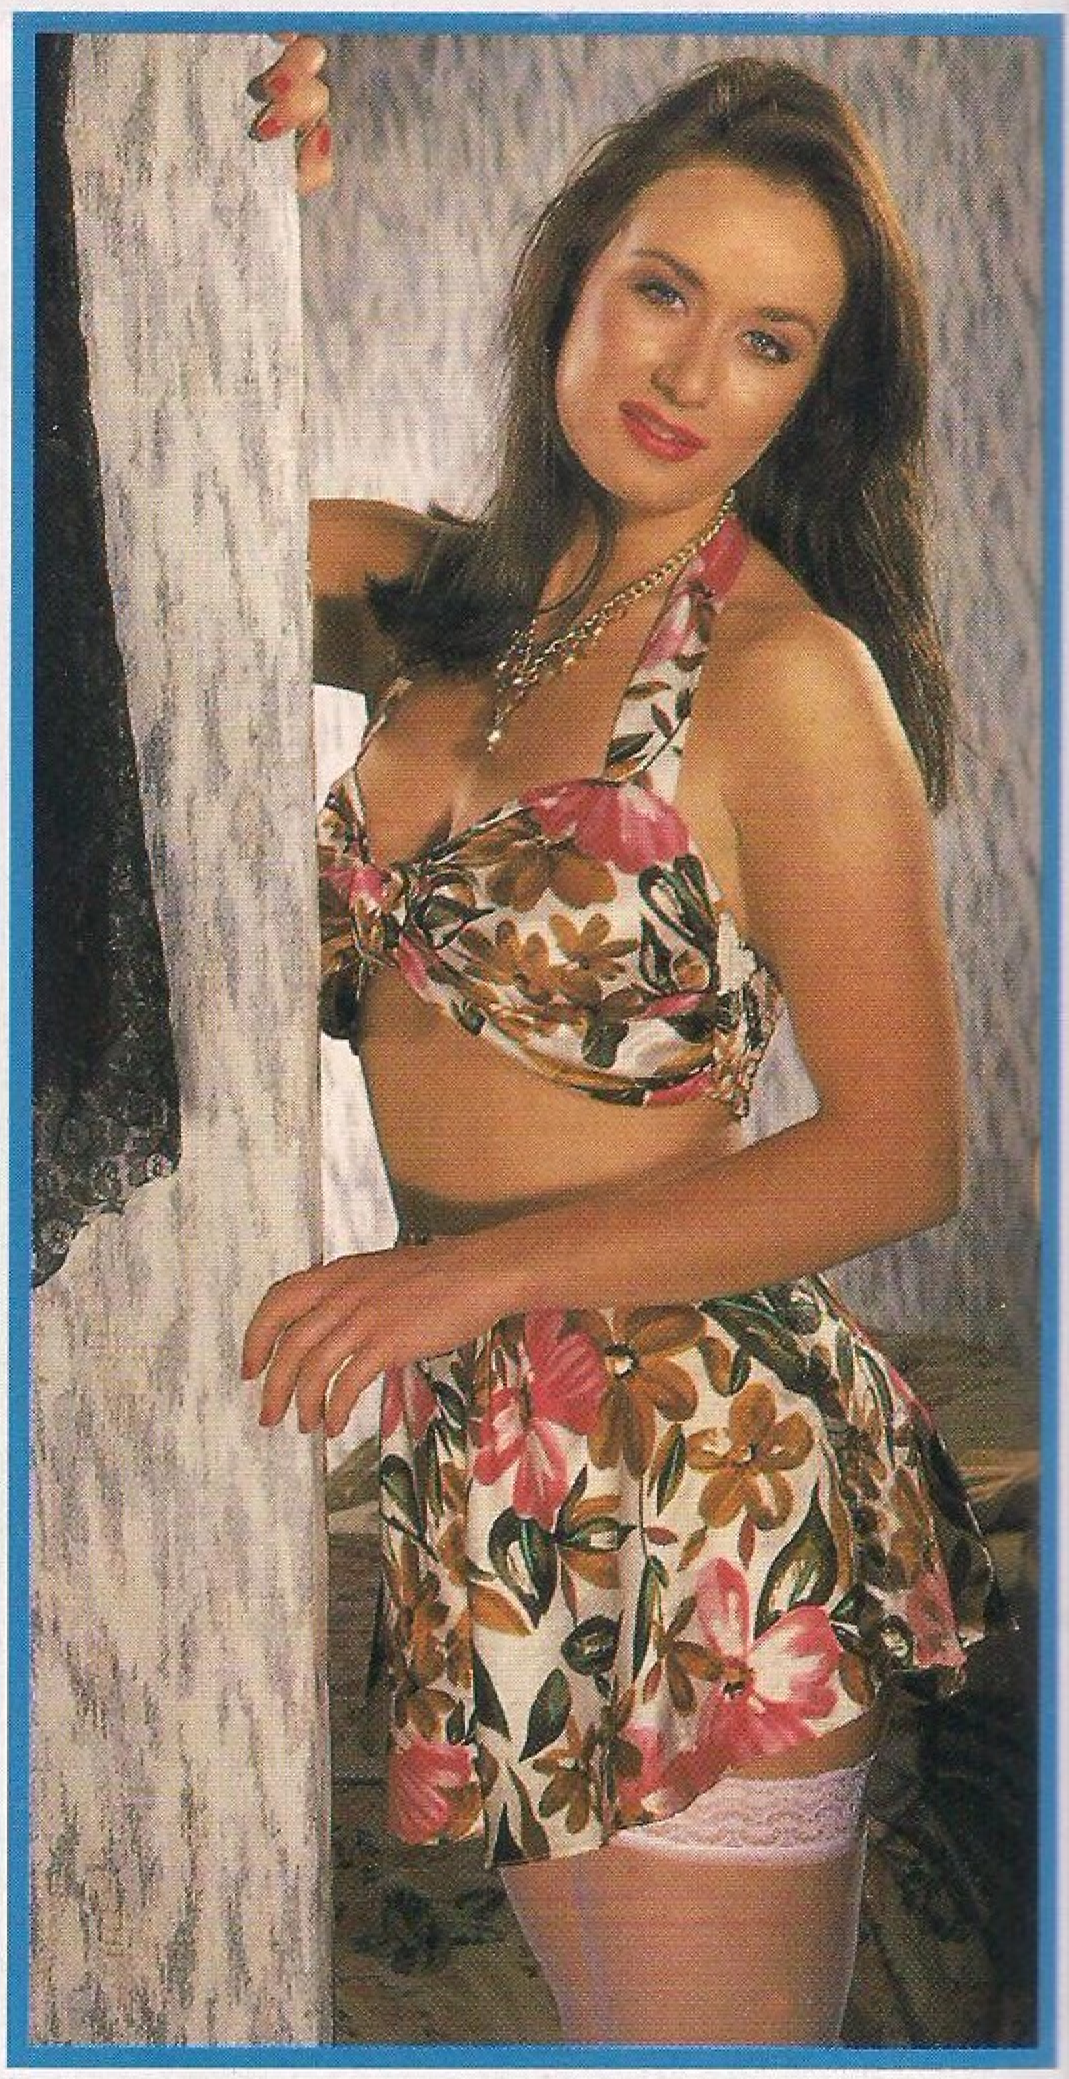
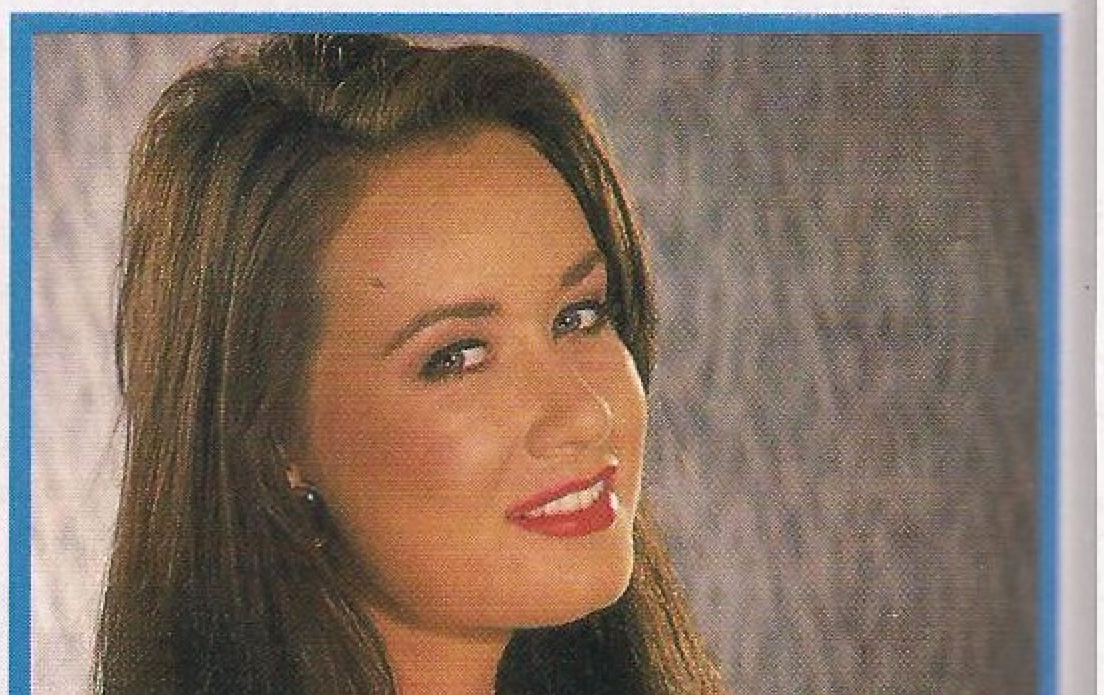
BRIDGETTE

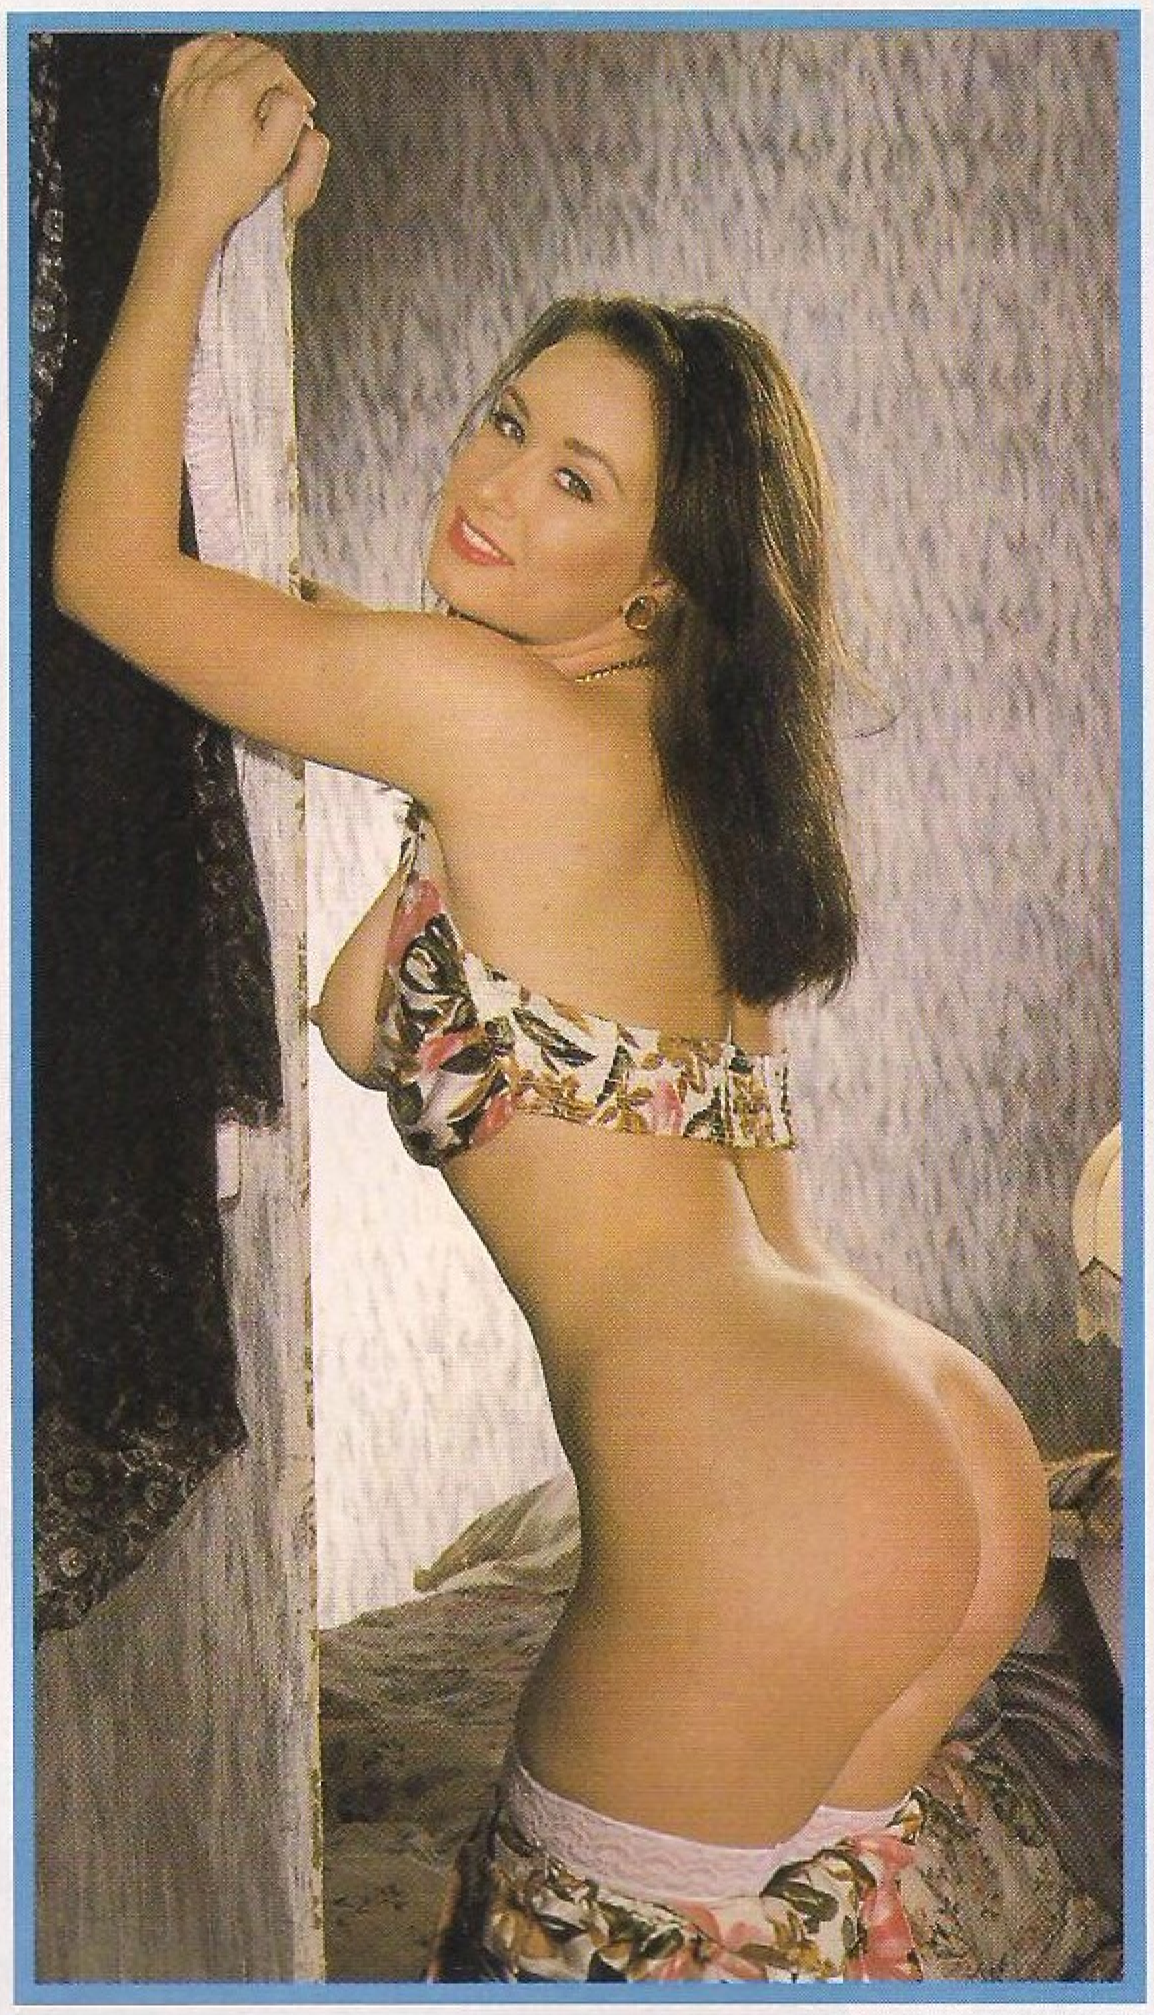


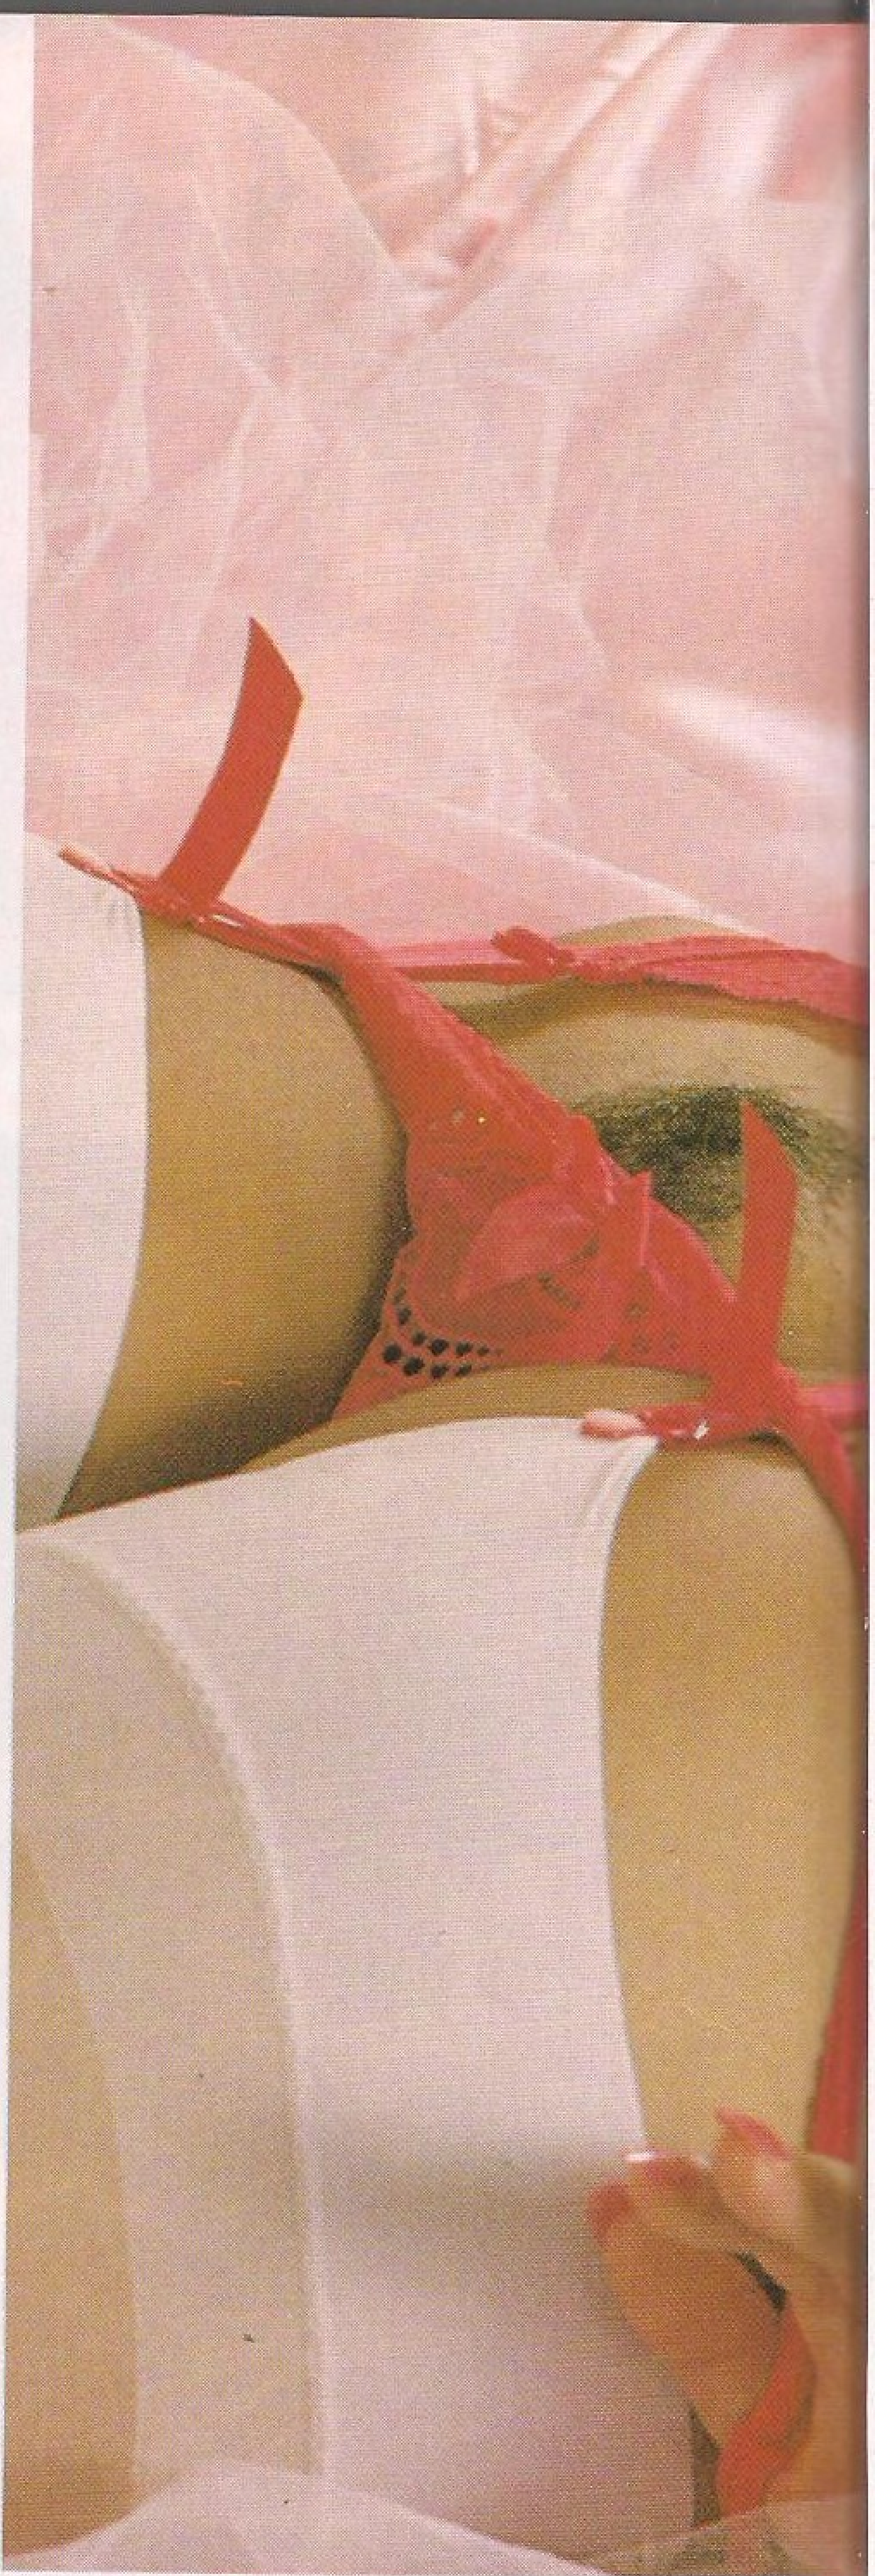


PHOTOGRAPHS BY RALPH MEDLAND

You can always bank on Bridgette Barclay to give a guy a great time in bed. Why? Because she enjoys sex more than any other girl we know! But don't take our word for it. "There's so much a couple can do together.

I'm 21 now and I've been at it for three years almost nonestop, but I'm sure I really haven't even scratched at the surface of the pussypleasing possibilites," says Bridgette eagerly, slipping out of her french knickers and lying down on the bed. "There is nothing I won't do, because I want to experience every type of love-making. The way I look at it is this: my legs are like my mind," adds Bridgette philosophically. "I can't have a good screw unless I keep them both wide open!"





Caroline

In the last issue of *Mayfair* curvy Caroline Henshaw from Cheltenham was keen to discuss her mischeivous schooldays. And so, it seems, was one of her old schoolfriends! "The day the magazine hit the shelves I got a call from Michael, a guy I'd been out with once or twice a few years before. It took me a while to place his voice as I hadn't spoken to him in ages," reveals 19-year-old Caroline, her 36-inch boobs trembling slightly as she animates her story. "Michael told me he'd seen my pictures in *Mayfair* and he was just ringing to

congratulate me on my new career, but if I'd like to get together for a drink and talk about old times he'd love to see me. 'Oh, yeah!' I thought, 'and I know exactly how much of me he wants to see!'"

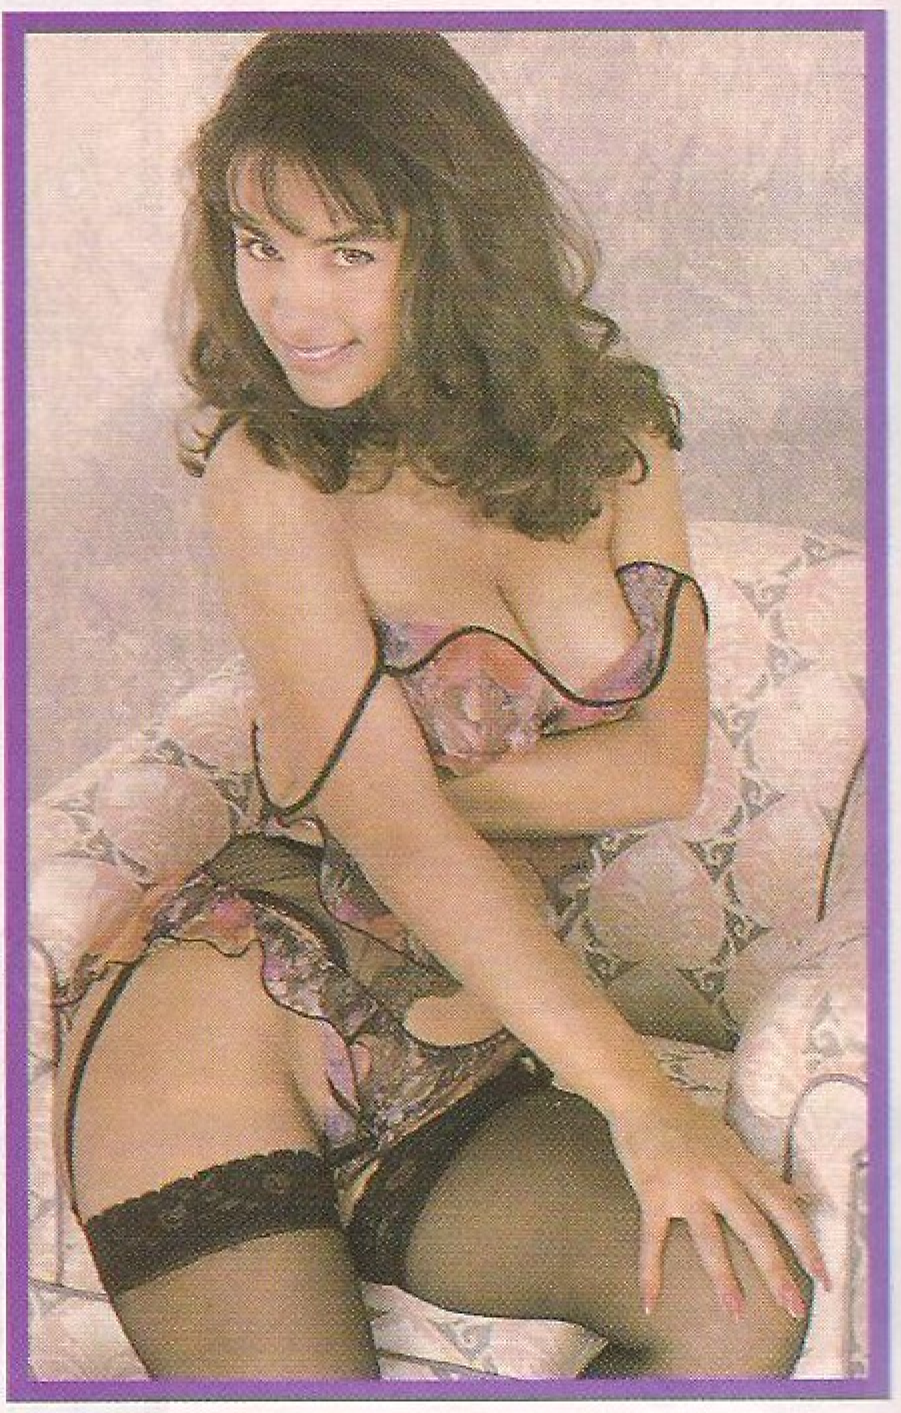
So you told him to go away and put the phone down? "Of course not," gasped Caroline, her bouncing breasts screeching to a halt an inch or so below her chin. "Michael and I had a lot catch up on, particularly between the sheets — I mean to say, last time I saw him he was into discos and I was a virgin."

Good grief, we said, you must be old friends! Ⓜ

APRIL

PHOTOGRAPHS BY JOANIE ALLUM

Judging by the sackloads of letters we've been getting on the subject of lovely April Stevens, there's something about this girl that makes all our readers weak at the knees and stiff in the trousers. You have raised various questions (amongst other things!) concerning the origin of these pleasurable sensations: is it her sensuous 32D-23-34 body, honed to horny perfection by all her early morning



swims? Is it her soft, dark tresses that sweep across her pretty face and breasts like a fine veil? Or could it simply be the fact that for a 22-year-old, adventurous April knows more about how to flaunt her fabulous form than ladies nearly twice her age?

Truth is, we can't quite put our finger on it either. But don't worry, because April will be happy to do that for you!

Cheryl

Buxom British lass Cheryl does what every buxom British lass should do — that's right, she serves behind a bar. "Don't think I don't know why you boys always ask for bottles from the bottom shelf — I know you're looking at my bum cheeks as soon as I bend down!" giggles the 24-year-old beauty from Bangor in north Wales. "Even when I'm pulling a pint of Best I know that you boys are having a good look at my

cleavage, and when I pull down extra hard you can even see my nipples — but I've got to say, I love it!

"There's not many other jobs where a girl gets this much attention *and* gets her drinks bought for her all night — except maybe a blow-job!"

DONNA

Donna's got a thing about her puss — but haven't we all? "I like to kee it nicely trimmed," says our 20-yea old picture researcher for a wel known publisher. "I used to have very hairy bush down there but one day I just decided to shave it all of and go without for a while. I can describe how different it was screwing without pubes — everything was so much more sensitive but my clitty poked out a mile and I felt fa too naked! Then when my hair began to grow back I decided to kee it in trim by shaving off all the excess, but saving the all best parts Now I've got a pussy that's super sensitive but still super-secretive.

So you wouldn't consider swapping two of your old one's for one o your new? "No way!" Ⓜ

"I've done it in some funny places in my time, but how many girls can say they've bonked in a box at the Albert Hall?" sa Southport's Shanine Linton (35D-24-36), plunging tits first into her latest sexcapade. "Well, that's what I did when my mate Aliso and I went to see Eric Clapton recently. Believe me, it wasn't only the champagne that was laid on! Just seeing Eric on stag made me horny as hell and halfway through the third song I slipped my hand up my little black skirt and started to play with myse Anyway, there I was really getting into it and about to come when I felt this hand on top of mine, helping me to go faster and pres a little harder. As I shuddered to a quiet climax, I peeped out of the corner of my eye and saw that it was Alison who had just broug me off!" So what did you do then, we asked eagerly. "I refused to leave until she'd given me an encore!" Ⓜ

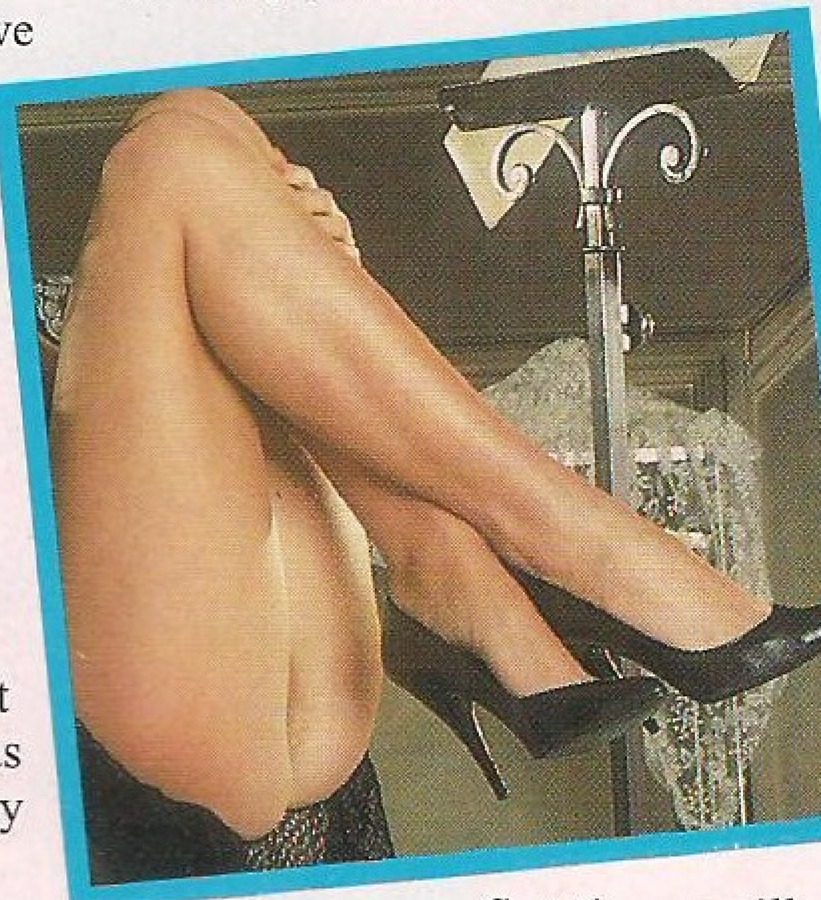
GREAT SEXUAL FEET

At last one magazine has recognised that we women find our feet are an erogenous zone (*Mayfair* Vol 27 No 8 *Our Survey Says...*)! After a lifetime of guys grabbing my tits or smacking my bottom, I've finally found that foot massage, toe sucking and licking does more for me than yet another nibble of my nipples. The recent David Mellor business also seemed to suggest that men like it too, so how about featuring feet as the serious erotic parts of the body they are?

If you guys want to get me going all you have to do is meet me after a long day in the office, give me a stiff drink and slip off my black high heels. Then with a little gentle massage (especially round the soles and between the toes), I begin to return to the land of the living — starting with my fanny. My soles are just as sensitive as my tits and a few strokes even through my stockings has me getting that warm honey feeling in my fanny.

Next, gently run your hands up my legs under my skirt and unclip my stockings (I might let you linger around the bare flesh at the top of my thighs, but not for long). Slowly roll them down my thighs and calves, then pull them one at a time from my poor tired feet. For the first time you'll see my bright scarlet painted toenails in all their glory. They look like juicy cherries, and you're about to find out if they taste as sweet.



After stroking my bare soles for a while (not too long in case I explode!), bend down and kiss my toes — one at a time. Ooooh, that's gonna get me so wet and breathless, and when you actually slide one toe at a time between your lips, mmmmm! By the time you've done this with all of my little piggies, my pussy will be so juicy it's just aching for cock!

I know it sounds silly, but believe me it works and I can't imagine that I'm the only one. If a guy did this for me, then I would find it very hard to resist dragging him into bed! So give it a try, you could make a woman very horny indeed. What do you mean feet are hot and sweaty? Have you whiffed your bollocks lately? Well, you lick my toes and I'll suck your plums! Is it a deal? — Amanda, Northampton.

You're on! — Ed.

PRIZE BOOBIES!

May I congratulate you on the lat issue of *Mayfair* (Vol 27 No 8) an in particular for featuring lovely Page Three girl Tracey Harper.

In return for my gushing compliments, how about commissioning special feature on that most stunning Page Three girl of them all, Kathy Lloyd? You have given us excellent un-coverage of most Britain's best topless models, ma showing much more than their boobs. Surely cute Kathy, an up and coming TV celebrity on *Bob'* *Your Uncle* with Bob Monkhouse is more than worthy of the same attention! — A.R., Hull Ⓜ

Next month in Mayfair

"Bottoms up!" says Lucy, our delicious dairy maid, churn-ing away to show us her best side — and we don't mean her calves. Holy cow! There's more milky bum cheeks than ever in next month's *Mayfair*!
